

Be a part of this dynamic ministry...

This is what is needed:

"A church for young people, which will know how to speak to their heart and enkindle, comfort, and inspire enthusiasm in it with the joy of the Gospel and the strength of the Eucharist; a Church which will know how to invite and welcome the person who seeks a purpose for which to commit his whole existence." Pope John Paul II

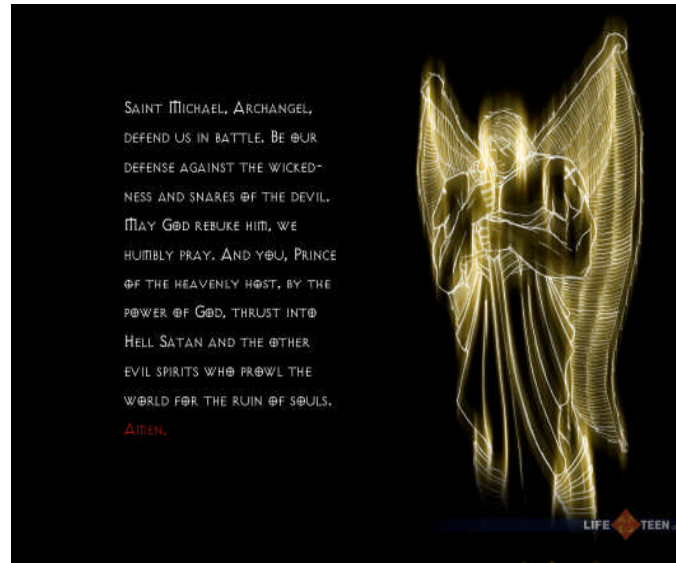

What is LIFE TEEN?

The LIFE TEEN program is a comprehensive youth ministry program for teens in grades 9-12 with a strong emphasis on the Eucharist. Starting with a weekly LIFE TEEN Mass, high school teens are placed in an environment where they have the opportunity to experience fully the greatest gift we have as the Church. This liturgy provides the cultural connection for the teens – allowing them to take ownership of their faith. They begin to develop a relationship with Jesus that is both real and personal. Immediately following the Mass, teens gather for the LIFE Night to learn about the Church and their faith in challenging ways.

Is God asking you to serve Him with your gifts and talents?

Will you help lead teens closer to Christ?

What is LIFE SUPPORT STAFF?

The LIFE Support Staff is an integral part of the LIFE TEEN ministry! It consists of different ministries that utilize diverse gifts and time commitments of parents and other interested volunteers. These ministries are great for parents of teenagers to take an active role in their child's faith in order to help them grow in their relationship with God. Parents are the primary "religious educator" for their children. These ministries encourage parents to stay involved without infringing on the natural space that is needed between parent and child as the teen grows in independence and maneuvers through adolescents.

These ministries, however, are open to anyone wanting to give their time and talent to serve God and His people. Please join us in this challenge by being a part of the LIFE Support Staff!! We need you!!

LIFE TEEN is entrusted to the heart and prayers of Our Lady.

Hospitality Staff: Buy, cook, and serve food to hungry teenagers after Sunday evening LIFE Nights. Many people are needed! This is the beloved ministry for the teenagers (they like food!!).

Safety Monitor: Monitor the halls, narthex and around the building during Sunday evening LIFE Nights. This is easy AND very important!

Environment Team: create and decorate for big LIFE Nights to make the environment unique and help the teens really "enter in" to the LIFE Night. This is perfect for those with artistic creativity, design skills, construction knowledge, or just like to decorate!

Service Coordinators: this is a very important ministry. This team will plan different monthly service opportunities for the teens around the church and community and teach Christ's love first-hand. This is great for those who want to have "hands on" time ministering to teens but can't commit every week.

Fundraising: create and coordinate several fundraisers throughout the year. This is a great opportunity for people with a financial or advertising background or anyone with creativity! It's a great way to be personally involved with the teens and help the ministry grow.

Audio/Visual: help make and edit videos for LIFE Nights, retreats and other events as well as help as A/V consultant when needed. Time commitment is variable and much of this work can be done in the comfort of your home! Software and equipment needed.

Marketing: create flyers and different advertisements for various youth events throughout the year. Computer and software skills a must and a flair for teen culture is a plus!
